ASBHelp: <https://asbhelp.co.uk/noisy-neighbours-noise/>

Anti-Social Behaviour organisation which provides help and information on neighbour and community no

Noise Direct: <https://noisedirect.co.uk/>

Noise Direct is a consultancy which advises on noise problems rather than a campaign organisation

Fireworks

The Firework Campaign UK: <https://fireworkcampaign.com/>

Campaigning to reform UK firework legislation since 2013 (Formally FAB firework campaign)

Background Music

Pipedown: www.pipedown.org.uk

Aviation

Aviation Environment Federation: www.aef.org.uk

There are also a number of local campaign groups at individual airports. AEF will be able to put you in touch with them.

UECNA – www.uecna.eu

representing community campaign groups at European airports

Traffic Noise

(These groups are environmental organizations. They don't always tackle noise directly)

Transport for Quality of Life: www.transportforqualityoflife.com

Campaign for Better Transport: bettertransport.org.uk

Campaign for the Protection of Rural England: www.cpre.org.uk

Cycling UK: www.cyclinguk.org

Energy

Renewable Energy Foundation: www.ref.org.uk

Think-tank opposed to the widespread introduction of wind farms

National Opposition to Wind Farms: <https://www.nowind.org.uk/>
